"WE'VE GOT PLENTY TO BE THANKFUL FOR!"

Dedication

THANKS, FOLKS

In this community there is the foresight of education. There is the realization that schools become inadequate and need to be enlarged. There are people who have endured sacrifices through the years that we may be exposed to a better education system than the last generation. May we live up to their expectations -- and exceed them. May we strive to accomplish in our lives what you thought could never be -- and yet you made it possible.

THANKS, FOLKS

Your money, your time, your untiring efforts have been combined in a great mass effort of conversion. The conversion of a need to a dream; the dream to a plan; the plan to a reality.

This structure of wood, steel, concrete, and glass is the result. This school where we can help create the plans for the years ahead; where we can become better educated; where we can become more proud of what you have done for us with this wonderful new addition.

To this new school we proudly dedicate this annual.

Youth, Oh Youth, can I reach you,
Can I speak and make you hear,
Can I open your eyes to see Me,
Can My presence draw you near?

Is there a Prophet among you,
One with a heart to know,
I will flash My secrets on him,
He shall watch My glory grow.

For I, the God, the Father,
The Quest, the Final Goal,
Still search for a prophet among you
To speak My word in his soul.

The band has 37 members and 10 beginners. The summer projects of the band were marching at Albion, marching and giving a concert at Old Settlers, and playing at Purdue for Band Day. We marched at the Lord's Acre Festival and at some home ball games. For Open House the band served refreshments and were guides for different parts of the new building. We are entering the contest on February 8, 1958. There will be 12 solos and 8 ensembles. The band also sponsored a dance on April 12, 1958. There were 14 members in the pep band that played for all the home games. The band members and the director, Miss Stemen, are very proud of the new rehearsal room and practice rooms.
